

CORPORATE PARTNERSHIPS

Harvest of Hope Pantry is a Boulder 501(c)(3) that provides healthy, free food to Boulder families and individuals in need in a safe, welcoming, and non-judgmental environment.

Our pantry opened its doors in 2012 and now serves 1,200 clients each week on average, distributing 525,000+ pounds of food in 2016.

We serve two different populations:

- » People with kitchens — families and individuals without the means to pay for all of their food needs.
- » People without kitchens — mostly individuals who are currently homeless.

Our pantry provides healthy, supplemental food to Boulder residents experiencing food insecurity. We offer a grocery-like shopping experience where individuals select their preferred foods. Harvest of Hope enables many of our clients to pay bills AND eat. We are non-sectarian, and welcome all who come through our door.

The Pantry was formed when two Boulder Catholic parishes — St. Thomas Aquinas Catholic Center and Sacred Heart of Jesus — joined forces to serve their clients under one roof. These two parishes had been feeding the Boulder area hungry for over 40 years combined before establishing Harvest of Hope Pantry.

Corporate Partnership with Harvest of Hope Pantry provides a meaningful marketing and network platform for our partners, while simultaneously supporting a crucial program for residents in Boulder.

Our Partners are provided with various opportunities to connect with a vibrant community of supporters, including Harvest of Hope volunteers and donors, many of whom are business owners in the area from upper income households.

Donations can be made monthly or quarterly to reach the total annual donation. \$5,000 supports ¼ of our monthly program expenses.
