

Thank you for your interest in Harvest of Hope Pantry. The Pantry provides healthy supplemental food to those in need of food assistance within a safe, welcoming and non-judgmental environment.

We offer a range of roles and ways to help the Pantry. Ideally, volunteers commit to a recurring weekly shift for a period of 1-3 months. We also have a need for substitutes who can assist with tasks on a short notice if your schedule is flexible. We currently only offer volunteer opportunities during the following times:

1-5 days a week, Monday - Friday
8:30am - 11:15am or 11:30am - 2:15pm
with one evening a week, **Thursdays 4:15 - 6:45pm**

Roles & Duties Include: Check-in Desk, Shopping Assistant, Inventory, Packing orders for delivery, and Delivery to clients.

Volunteering in any of these roles brings **tremendous benefits to our mission**. You will find the clients, staff and volunteers to be friendly and the time you spend feels productive and meaningful. **Your role in providing food to those in need is direct, impactful, and rewarding!**

Our client-choice model is unique and allows our guests to select their desired foods in a grocery market environment. We offer separate shopping times for **clients with kitchens** and **clients without kitchens**, to address the individual needs of both populations.

Clients without kitchens:

- Clients are offered many ready-to-eat options like pop-top canned items, fresh sandwiches, fruits, yogurt and items that are easy to transport.
- May shop daily **Monday – Friday 12 to 2 p.m.**

Clients with kitchens:

- Clients are offered a range of shelf-stable foods along with bakery items, fresh produce, dairy, meat and additional meat and dairy alternatives.
- Shop once a week **Monday – Friday 9 to 11 am, Thursday evenings 4:30 to 6:30 pm**

We welcome new volunteers and look forward to hearing from you.
