

# 2024 ANNUAL REPORT

Dear Supporters and Friends of Harvest of Hope Pantry,

As we reflect on 2024, we are grateful for the thriving community of supporters who continue to help Harvest of Hope Pantry provide more food to more people in Boulder county.

**Last year, we saw a 58% increase in the number of visitors to the pantry.**

Thanks to the continual hard work and dedication of our staff and volunteers along with the generosity of our donors, we successfully met this need, accomplishing more than we ever dreamed.

**Harvest of Hope Pantry distributed 1,016,373 lbs of food in 2024!**

And we are thrilled to have surpassed this million pound milestone! We are positioned to continue on a path of growth in 2025. In addition to providing food, the pantry's relational and emotional support play a key role in achieving positive outcomes. In twice yearly questionnaires, 98% of surveyed shoppers agreed with the statement "I feel welcome and respected at Harvest of Hope Pantry." We are grateful to our 356 volunteers - each of whom plays a significant role in fostering this environment of warmth and respect.

**Our reach extended even farther in 2024 with 4 mobile pantry locations.**

Mobile pantries provide food to some of the most vulnerable populations – older adults and those with mobility limitations. The reception has been incredible! One resident of a building we visit always stops to thank us. She says, not only does the mobile pantry supplement her diet, but she is now able to bake treats for her grandchildren when they visit. Stories like this remind us of the vital role we play in so many lives, both in providing food, and in providing hope.

**We've expanded our food rescue efforts.**

We have partnered with local food retailers for years, recovering quality unused food and redistributing it to those in need. This year, we're forming new partnerships with both local and national businesses. Our goal is to be a reliable source of high-quality food while reducing waste and keeping nutritious food out of landfills.

**We are forging ahead in 2025.**

As we enter a time of transition and potential changes impacting our neighborhoods and nation, we remain committed to bringing food, compassion, and dignity to every individual we serve. We are grateful for your continued support.

With gratitude,
