

2025
ANNUAL
REPORT

Chad Molter
Executive Director

Dear Friends of Harvest of Hope Pantry,

Reflecting on 2025, we are struck by the scale of what Harvest of Hope Pantry can accomplish when a community chooses to lead with compassion! The numbers tell a story of meeting the need as we scale our operations to new heights.

We distributed a record-breaking 1,221,653 lbs. of food, a 20% increase over our previous milestone year. In 2025, our number of shoppers rose by 43%, and we welcomed 1,737 new neighbors to Hope Pantry.

Expanding Access

We know that hunger doesn't take the weekend off. In 2025 we launched Saturday shopping hours, which have quickly become a vital resource for working families. Serving shoppers on Saturday provides a flexible, respectful shopping experience for those who cannot visit us during the work week.

Our mobile outreach also grew in 2025. We added two additional mobile units, bringing our total to 6 mobile pantries. We are reaching our most vulnerable neighbors, older adults and those with mobility limitations, right where they live.

Sustainability and Stewardship

Our commitment to the planet is as firm as our commitment to our shoppers. Our partnerships with local food retailers have allowed us to recover over 248,000 lbs. of quality, unused food and redistribute it to our shoppers with our Retail Rescue program. This environmental win is the equivalent of removing 116 gas-powered cars from the road for a full year. Fighting hunger can also be a win for our ecosystem!

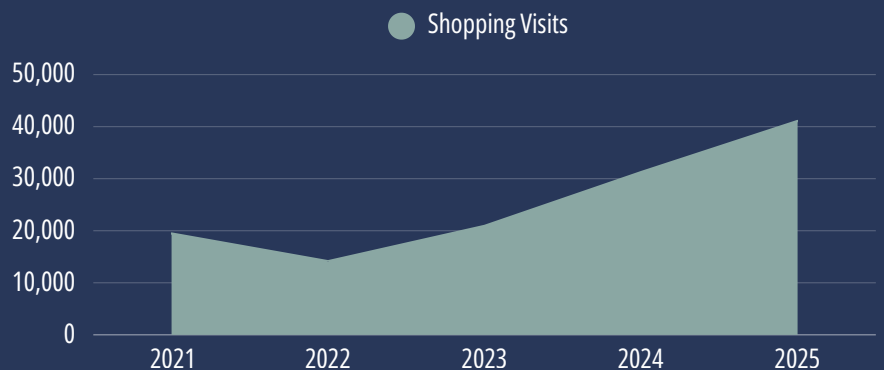

A Culture of Respect

Even with our growth, the heart of Harvest of Hope Pantry remains the same. This culture of kindness is made possible by our dedicated staff and over 648 volunteers who show up week after week to foster a sense of belonging.

As we move into 2026, we remain a reliable source of nutritious food and a place where compassion and dignity set the tone for every visit. We are grateful for your continued partnership as we forge ahead, ensuring that no neighbor has to go without food.

With gratitude,

Chad Molter
Executive Director
